Trey Whitfield Foundation, Inc.®

The Trey Whitfield Foundation was founded in 1992 to commemorate the life and spirit of Trey Whitfield. In his memory, the Trey Whitfield Foundation pursues his dream that everyone, regardless of ethnic background, has equal access to the educational opportunities that they need to reach their potential in life; that every child will have a helping hand and every young person will get support from someone who cares about their future. For 25 years, companies and individuals like yourselves have helped in that pursuit.
